

Grønbech & Sønner A/S

Mission

We want to be the preferred business partner within our spheres of competence

Steel/Metal - Technique - Service

Grønbech & Sønner A/S

Values

We strive to be worthy of our customers' confidence by focusing on the following values:

TRUSTWORTHINESS

We keep our promises.

COMPETENCE

We look into matters and know what we talk about.

NEW THINKING

We are open-minded and keep up to date, enabling us to offer different and better solutions.

RELIABILITY

We co-operate across, show respect for each other, and take common responsibility for our goals.

KNOW-HOW

We share know-how with each other, and thereby create valuable solutions for the customer.
